

Tens in boxes

1. There are 10 sticks in one box. How many sticks are there in the boxes altogether?

2. Join the dots 10-100 by tens.

Tens as dots

1. How many dots are there altogether?

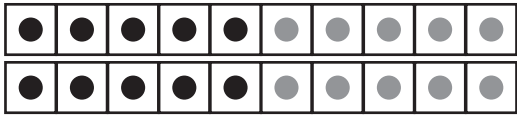

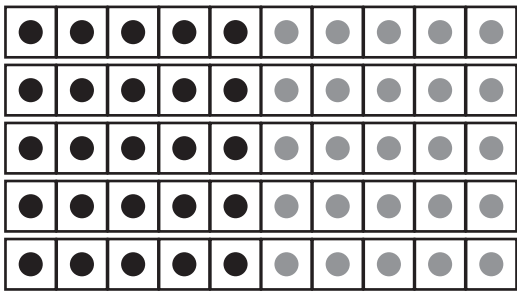

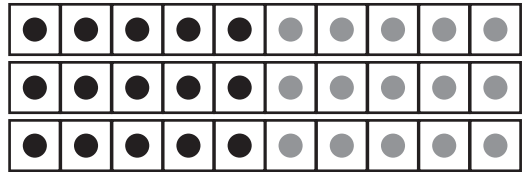

2. Join the dots 10-100 by tens. Start with the number 100.

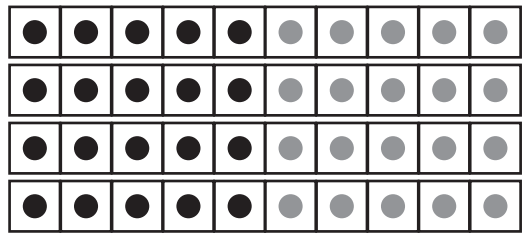

Comparing tens

1. Compare the quantities. Draw the comparison sign $>$ or $<$.

2. Compare the numbers. Draw the comparison sign of $>$ or $<$.

$40 \square 80$

$90 \square 80$

$70 \square 50$

$60 \square 40$

$20 \square 30$

$50 \square 90$

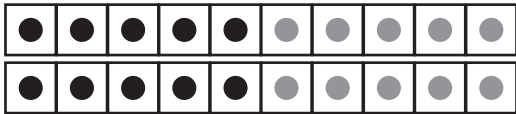

$90 \square 30$

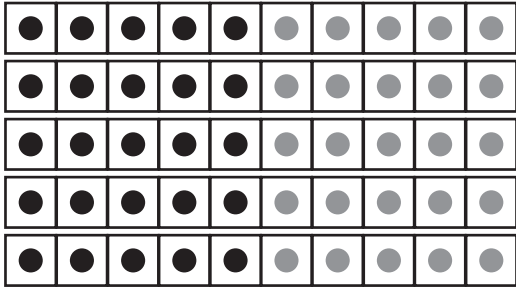

$70 \square 60$

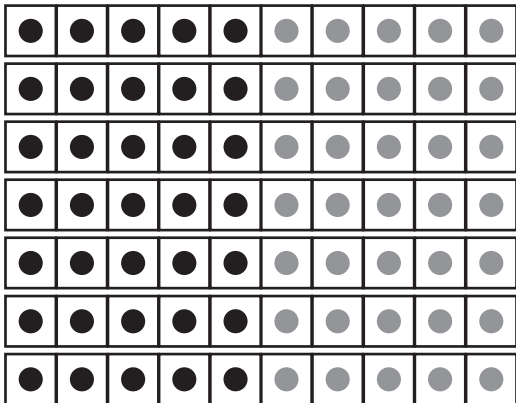

Add or subtract ten A

1. How many dots are there altogether. Then, first add 10 and then subtract 10.

	<input type="text"/>	→ add 10	<input type="text"/>
		→ subtract 10	<input type="text"/>

	<input type="text"/>	→ add 10	<input type="text"/>
		→ subtract 10	<input type="text"/>

	<input type="text"/>	→ add 10	<input type="text"/>
		→ subtract 10	<input type="text"/>

2. Add 10 to the number and subtract 10 from the number.

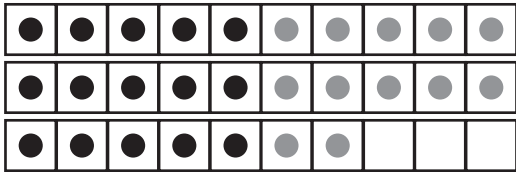

<input type="text"/>	← subtract 10	40	→ add 10	<input type="text"/>
----------------------	---------------	----	----------	----------------------

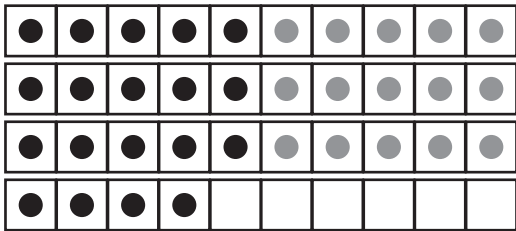

<input type="text"/>	← subtract 10	80	→ add 10	<input type="text"/>
----------------------	---------------	----	----------	----------------------

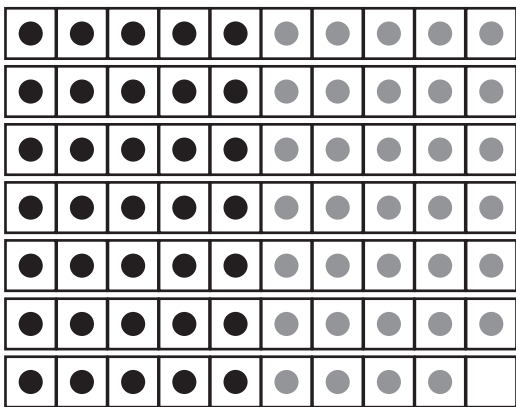

<input type="text"/>	← subtract 10	60	→ add 10	<input type="text"/>
----------------------	---------------	----	----------	----------------------

Add or subtract ten B

1. How many dots there are altogether?

	<input type="text"/>	→ add 10	<input type="text"/>
		→ subtract 10	<input type="text"/>

	<input type="text"/>	→ add 10	<input type="text"/>
		→ subtract 10	<input type="text"/>

	<input type="text"/>	→ add 10	<input type="text"/>
		→ subtract 10	<input type="text"/>

2. Add 10 to the number and subtract 10 from the number.

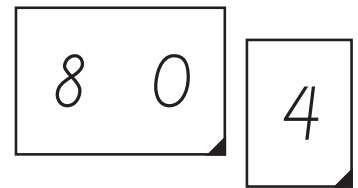

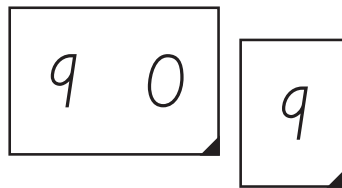

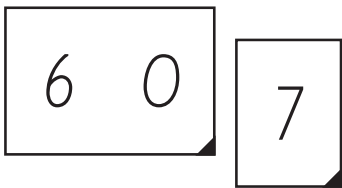

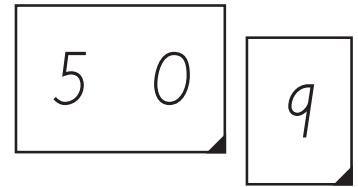

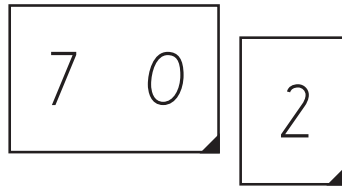

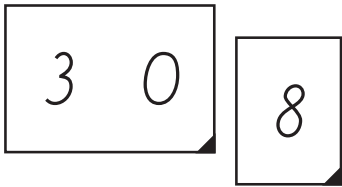

<input type="text"/>	← subtract 10	52	→ add 10	<input type="text"/>
----------------------	---------------	----	----------	----------------------

<input type="text"/>	← subtract 10	78	→ add 10	<input type="text"/>
----------------------	---------------	----	----------	----------------------

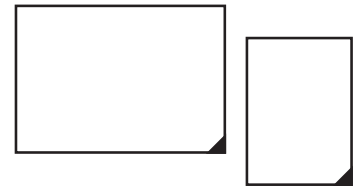

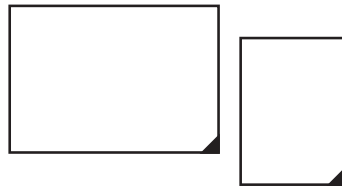

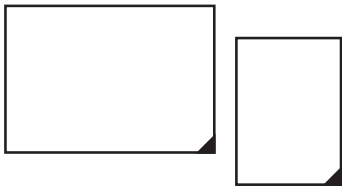

<input type="text"/>	← subtract 10	41	→ add 10	<input type="text"/>
----------------------	---------------	----	----------	----------------------

Building numbers 10-100

1. What number is formed by the number cards?

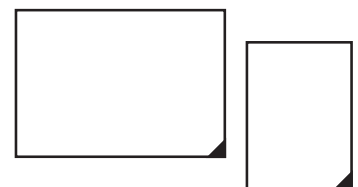

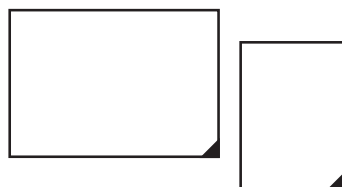

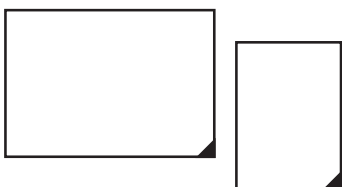

2. Break down the number. Write the correct numbers in the number cards.

43

25

91

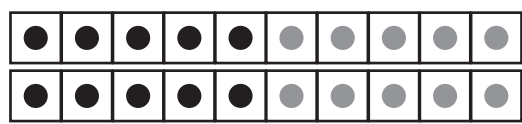

56

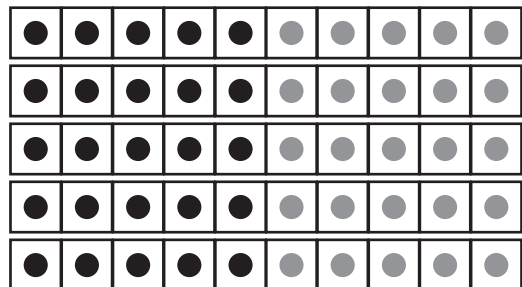

77

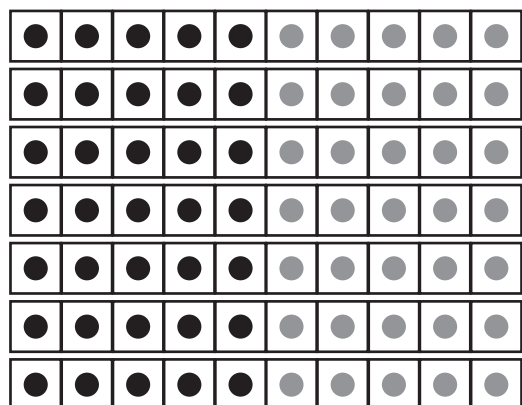

19

Previous and next number

1. How many dots are there altogether? Then, first add 1 and then subtract 1.

	<input type="text"/>	→ add 1	<input type="text"/>
		→ subtract 1	<input type="text"/>

	<input type="text"/>	→ add 1	<input type="text"/>
		→ subtract 1	<input type="text"/>

	<input type="text"/>	→ add 1	<input type="text"/>
		→ subtract 1	<input type="text"/>

2. Write the previous and next numbers.

<input type="text"/>	40	<input type="text"/>
----------------------	----	----------------------

<input type="text"/>	20	<input type="text"/>
----------------------	----	----------------------

<input type="text"/>	80	<input type="text"/>
----------------------	----	----------------------

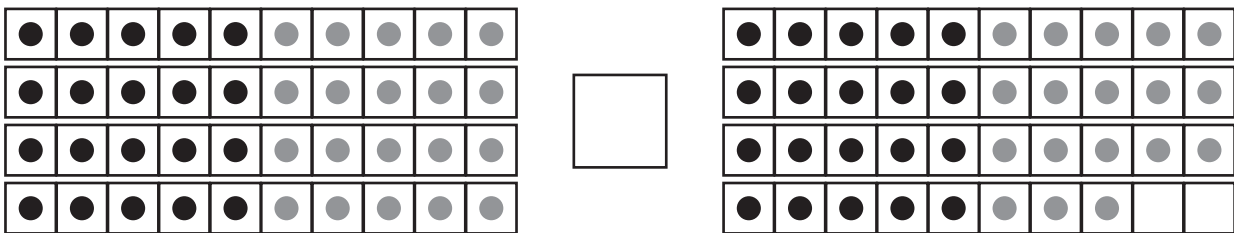

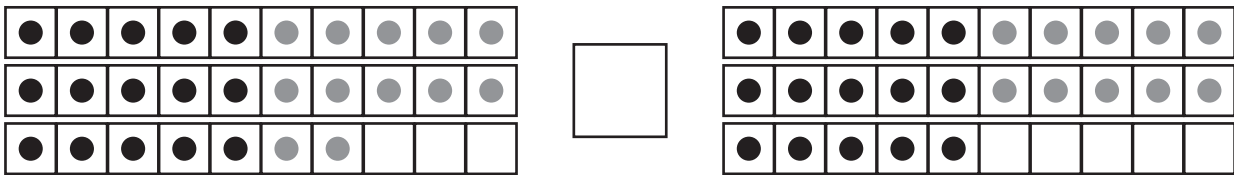

<input type="text"/>	90	<input type="text"/>
----------------------	----	----------------------

<input type="text"/>	70	<input type="text"/>
----------------------	----	----------------------

<input type="text"/>	60	<input type="text"/>
----------------------	----	----------------------

Compare numbers 1-100

1. Compare quantities. Draw comparison sign > or <.

2. Compare numbers. Draw comparison sign > or <.

$39 \square 40$

$75 \square 68$

$90 \square 88$

$42 \square 36$

$50 \square 82$

$64 \square 46$

$29 \square 40$

$55 \square 66$

Hundreds and tens

1. Write the three hundreds in order from smallest to largest.

400 200 300

200 100 300

500 700 600

900 700 800

500 600 400

700 800 600

2. What number is formed by the number cards?

2 0 0 4 0

7 0 0 5 0

9 0 0 1 0

5 0 0 8 0

Thousand board

1. Fill in the missing numbers.

10	20		40	50		70	80	90	100
	120	130	140		160	170	180		200
210		230	240	250	260		280	290	
310	320	330		350	360	370		390	400
	420	430	440	450		470	480		500
510	520		540	550	560		580	590	600
610		630	640		660	670		690	
710	720	730		750	760	770	780		800
	820		840	850		870	880	890	
910	920	930	940		960		980	990	1000
